THE QUARTERLY ARMY LIST

JULY, 1944

Corrected to 15th June, 1944

NOTICES

Under the provisions of the Army Act, 1881, Section 163 (1) (*d*), this Army List is evidence of the status and rank of the Officers mentioned in it.

The figures in square brackets thus [1] after the titles of Infantry regiments denote the former regimental districts to which the regiments belonged.

The badges, &c., borne on Regimental Colours are shown after the titles of Regiments, the " centre " badge being printed in heavy type. In the case of Regiments and Corps which do not carry Standards, Guidons or Colours, the badges, &c., shown after their titles are borne on their Clothing or Appointments.

The words subscribed to the titles of regiments, as " Peninsula," " Waterloo," " Neuve Chapelle," &c., denote the Honours awarded to such regiments in commemoration of their services. Those printed in heavy type are borne on their Standards or Colours, or, in the case of regiments having no Standards or Colours, on their Appointments.

Where two dates are shown against the name of an officer without explanation, the first denotes seniority in Regiment or Corps *or* is the most recent date of appointment to the Regiment or Corps, and the second denotes present Army seniority. Where three dates are shown, the second is the date of substantive appointment to present rank, and the third denotes present Army seniority.

Communications from Officers of the Supplementary Reserve, Militia, and Territorial Army or holding Temporary or Emergency Commissions regarding the entry in this List (*a*) of letters denoting military qualifications and (*b*) of the symbol ⚔ denoting War Service, should be forwarded *through the usual official channels*. Other communications regarding alterations, errors or omissions should be addressed direct as follows :—

THE UNDER-SECRETARY OF STATE,
The War Office,
Army List. *London.*

Officers who succeed to peerages, baronetcies or courtesy titles are responsible for immediately notifying the fact to the Under-Secretary of State, The War Office, in order that the necessary alterations may be made in the Army Lists and in the official records of the War Office.
